

THIS MONTH'S MEETING TOPIC

UNLEASH YOUR STRENGTHS ***Optimizing Natural Talents for Ultimate Career Success***

Meredith Masse – Guest Speaker

In hiring and team development, we talk a *lot* about the right skills, qualifications, competencies and proficiencies when we are outlining job requirements and detailing job descriptions. However, there is something missing in this mix: STRENGTHS and INSTINCTS that make individuals naturally good at certain types of work. Team Development Consultant Meredith Masse uncovers the power and benefits of unlocking innate strengths and instincts in the workplace in this high-energy -- and fun conversation.
