

RESULTS- DRIVEN TEAM MANAGEMENT

Every day as Directors, Managers, Supervisors and Team Leads, you confront challenges that relate to team productivity and efficiency. These one-day management briefings will give you the practical information and tools you need to accurately identify and quickly resolve key barriers to improving team effectiveness.

Silo Busters! Leading Cross Functional Teams for Better Business Outcomes

“Silos” occur in nearly every organization and can be a barrier to productivity and efficiency unless managed carefully. In this one-day seminar you will understand how to build and manage highly effective cross-functional teams, the keys to effective communication and how to manage team members with vastly different work styles. *Includes Kolbe Natural Instincts Assessment for each participant. PMI PDU credits pending.*

Date/Location: May 18 – North COS | SBDC | 1420 Austin Bluffs Pkwy, Colorado Springs, CO 80933
Time: 8:00am – 4:30pm
Cost: \$249.00 per person; ask about discounts for multiple participants from your organization
Register: https://www.regonline.com/Silo_busting

Managing Your Remote Teams

Understand the special considerations of managing geographically dispersed teams. This one-day seminar gives you the information and tools for establishing expectations, meeting deadlines, maintaining effective communications as well as the legal and safety issues for employees working out of the office and tips for long-distance coaching and motivating vastly different work styles. *Includes Kolbe Natural Instincts Assessment for each participant. PMI PDU credits pending.*

Date/Location: June 1 – North COS | SBDC | 1420 Austin Bluffs Pkwy, Colorado Springs, CO 80933
Time: 8:00am – 4:30pm
Cost: \$249.00 per person; ask about discounts for multiple participants from your organization

Results Driven Project Management

Essential for new Project Managers and a superior refresher for experienced PMPs, this one-day course will provide you with the information and tools you need to manage any sized project. The morning will cover the key elements to successful project management including: identifying requirements and existing resources, monitoring progress and mitigating obstacles to bring the project to a successful completion. The afternoon is devoted to developing yourself as a “coaching manager” who motivates project team members to contribute their personal-best and complete projects on time and on budget. *PMI PDU credits pending.*

Dates/Location: June 22 – North COS | SBDC | 1420 Austin Bluffs Pkwy, Colorado Springs, CO 80933
Time: 8:00am – 4:30pm
Cost: \$199.00 per person; ask about discounts for multiple participants from your organization
